## **5 .APPLICATIONS**

There are many mainstream Zoho books App platforms that cater to but very few that provide inspiration for as well as help them share their experiences. My app aims to solve this problem and provide a platform for around the world.

## **6 .CONCLUSION**

At the bottom of every construction daily report,the report preparer must print and sign their name alongside the date in order to formalize the completion of the document.

## **7 .FUTURE SCOPE**

The scope of work in construction is the list of construction obligations,as well as work activities that all contractors,subcontractor,and suppliers are obligated to do. This is all written out in an agreement or contract, which is then called the scope of work.
